Mr. Fred Firestone  
Sempact, Inc.

Fred,

Our organization was very pleased with your presentation at our May meeting about:

**Competitive Advantage: Having It And Selling It**

It was very well received by our Members, all of whom were very appreciative of the ideas you presented. The points were specific and appropriate to the small business marketplace we serve, and the style was very energetic and entertaining.

Thank you again,

L. V. Lammert
