

August 4, 2005

Dear Fred,

I wanted to thank you for an exceptional presentation at our August General Membership Meeting on Tuesday, August 2, 2005. Everyone was very impressed by your dedication and enthusiasm to your program. We especially loved it when you had our members come up to help with your skits, that was the best! I really enjoyed the message that you presented and only hoped that half the sales force out there could live by your examples.

Thanks again,

Kristie Freed
Communications and Special Events Coordinator
St. Petersburg Chamber of Commerce
